| Important Questions | Answers | Why this Matters: |
|---|---|---|
| What is the overall deductible? | \$2,000 person / \$4,000 family In-network \$4,000 person / \$6,000 family Out-of-network \$2,000 In-network / \$4,000 Out-of-network Maximum amount that any one person will satisfy towards the annual family deductible | Generally, you must pay all the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible . |
| Are there services covered before you meet your deductible? | Yes. Preventive care services are covered before you meet your deductible . | This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ |
| Are there other deductibles for specific services? | No. | You don't have to meet deductibles for specific services. |
| What is the out-of-pocket limit for this plan? | \$5,000 person / \$10,000 family In-network \$15,000 person / \$30,000 family Out-of-network \$5,000 In-network / \$15,000 Out-of-network Maximum amount that any one person will satisfy towards the annual family An employer HRA contribution of \$350 person / \$350 family is available to reduce the out-of-pocket expenses | The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met. |
| What is not included in the out-of-pocket limit? | Penalties, premiums , balance billing charges, and health care this plan doesn't cover. | Even though you pay these expenses, they don't count toward the out-of-pocket limit . |
| Will you pay less if you use a network provider? | Yes. See www.umar.com or call 1-844-600-0919 for a list of network providers . | This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. |
